

*WIGOS WORKSHOP 2019*

Session 4.2

# Introduction of RIC-RWC collaboration

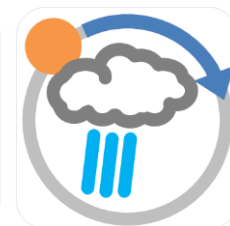

All participants  
with Seiichiro Kigawa (JMA)

# Challenge

2

Let's remember this chart. Asia's challenge, large-scale human resources and a magical effect from new data sources ...

3

It is time to design our collaboration and future.

# Design our collaboration and future

Inter-region

RIC-RWC

Products & experts

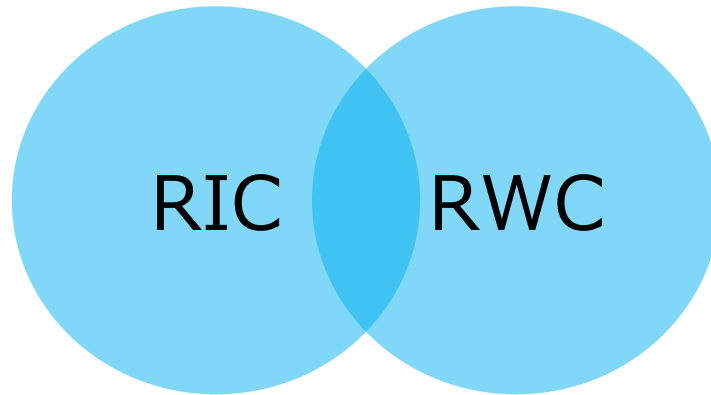

Observing system

RWC & experts

We will discuss five topics today.

4

# Design our collaboration and future RIC-RWC

5

Discussion on RIC-RWC follows RICs Beijing, Manila and Tsukuba reports. RIC-RWC collaboration brings efficient and effective services, especially for quality management.
